

Festival Kinetik merch tables information :

Affiliate partners (confirmed before November 1, 2008) :

All affiliate partners are asked in exchange of exposure on the festival kinetik promotion (web and 20 000 flyers passed all around north America) and special merch tables fee to do their best to promote the festival in their local scene and on their website / publication to keep their preferential fee. Kinetik Productions keep the right to take out the preferential price to any partner that don't participate in the festival promotion.

Due to the size of the 2009 festival kinetik and the estimated assistance, we want to be sure to offer you the best opportunities to reach the wider audience as possible and keep the collaboration profitable for both parties. Once again, the festival will be held at Usine C and this time it will be on 4 days!, to avoid the 15% fee requested by them on all merch sell in there venue, we are oblige to apply a flat fee for all the merch table (this fee is not going to the festival kinetik).

After last year first experience, we made some changes to make it easier for all. We will in a first time add more tables on the first floor, in the main area, as for the one on second floor, we will add a map with all merch tables names and positions in the venue in the festival booklet to make it more easy to find for the visitors. So for 2009, there will be two prices, one for the first floor tables and one for the second floor tables. Please reserve fast since place are limited and the demands for 2009 for merch table is big.
